

# Central Heat Pump

Series: AFFINITY - YZF

## Comfortably yours.

The Affinity series is durable and designed especially for energy efficiency.

Replacing an old system with one of York's Affinity series means not only a significant drop in electricity costs, but also a means of preserving the environment.

Model	Power	Seer	HSPF	Db	H (in)	W (in)	D (in)
YZF02413C	2 tons	16	8.20	71	39-1/2	37	31
YZF03013C	2.5 tons	16	8.20	71	39-1/2	42	34
YZF03613C	3 tons	15	8.20	72	39-1/2	42	34
YZF04214C	3.5 tons	15	8.20	71	39-1/2	42	34
YZF04813C	3.5 tons	15	8.20	73	39-1/2	42	34
YZF06013C	5 tons	15	8.20	70	39-1/2	42	34

\* Performance results may vary depending on the coil and furnace combinations \*\* Performance results from manufacturer leaflets

Affinity series central heat pumps provide the comfort and economy you expect from a leader such as York. Your attractive, modern design unit will bring style and value to your property.

- Profiled fan grille for quieter and more efficient operation
- Steel coated with a multilayer, enamelled, epoxy-based and weather-resistant paint
- Weight and vibration absorbing composite base
- State-of-the-art compressor combining reliability and performance
- Factory installed dryer for purity of refrigerant
- Metal coil protector matching the housing covering a polymer mesh to protect the coil
