

# Central Air Conditioning

Series: Merit - 14ACX

**Not too warm. Not too dry. Simply perfect.**

The LENNOX Merit® series 14ACX is the ideal cooling solution for homeowners looking for reliable performance at a moderate budget and wishing to save energy. What makes the 14ACX even better is the improved moisture control that comes with the optional addition of our exclusive Humiditrol® dehumidification system. You will enjoy perfect comfort in every room of your home, without having to worry about high energy bills.

Model	Power	Seer	Db	H (in)	W (in)	D (in)
14ACXS-024-230	2 tons	16	76	29-1/4	28-1/4	28-1/4

\* Performance results may vary depending on the coil and furnace combinations \*\* Performance results from manufacturer leaflets

The 14ACX, like all Lennox manufactured products, is designed for exceptional durability both indoors and outdoors.

It features a direct-driven fan with precision balance for quieter operation and longer life. The reliable compressor and high efficiency coil work together to reduce energy consumption and save you money.
