

Confort Expert Inc. is looking for an evening warehouse clerk to join its dynamic installation team. We have been working in the residential heating and air conditioning industry for 25 years.

This is a full-time position, 5 days a week.

The hours are from 2pm to 10:30pm, with 30 minutes for dinner, as well as one Saturday out of three (in rotation with the other clerks).

Under the supervision of the installation director, your role would be to receive goods at the warehouse and ensure that the trucks are functional.

The main tasks are:

- Empty the installation trucks
- Empty and fill the water heater trucks
- Identify the trucks to load according to the road map
- Verify the quantity of goods loaded
- Put the water heaters in the container
- Remove copper, brass and thermostat from water heaters
- Make sure the trucks are clean before loading
- Ensure the cleanliness of the warehouse
- Cut copper
- Wash and fold protective sheets
- Refuel diesel trucks
- Remove snow from entrances (winter)
- Move trucks around in the parking and plug them in (winter)

We are looking for people with the following skills:

- Physical work skills
- Autonomous
- Resourceful

In addition, the person will need:

- A valid driver's license.
