

---

Comfort Expert Inc. is looking for technicians to join its dynamic installation team. We have been working in the residential heating and air conditioning industry for 25 years.

This is a full-time position, 5 days a week.

Under the supervision of the service director, your role would be to maintain and repair oil and electric appliances.

The main tasks are:

- Visit clients' homes and do the work according to the nature of the call
- Respond to clients' questions or requirements in a professional manner
- Ensure compliance with the B139 and / or B149 codes in effect
- Billing clients
- Ensure the good condition of the service truck

We are looking for people with the following skills:

- Physical work skills
- Autonomous
- Resourceful
- Team working skills
- Problem solving skills

In addition, the person will:

- Have a valid driver's license
- Be bilingual (an asset)
