

**CUSTOMERS WITH A 10 YEAR PARTS AND LABOR WARRANTY ON THE PURCHASE OF AN HVAC
UNIT FROM SEARS**

If you have acquired an HVAC unit from Sears after 2007, this message might be of interest to you.

Following Sears bankruptcy, certain parts and labor warranties relative to the purchase of an HVAC unit might still be effective

EFFECTIVE

If you have acquired your HVAC unit in Quebec and after **August the 15th 2014**, your warranty is still effective and will be assumed **by Confort Expert**.

NOT IN EFFECT

If you have acquired your HVAC unit before **August the 15th 2014** or have acquired your unit outside of the province of Québec, unfortunately, the labor portion of your warranty may be null considering that Sears assumed that portion of the warranty themselves.

But the warranty related to the parts is still effective

Confort Expert has made contact with former Sears manufacturers in order to help you have access to that warranty. We also have developed certain scenarios related to labor that might interest you.
